SUPPORTING A HEALTHIER TOMORROW

About Us

PEOPLE • PARTNERSHIPS • BETTER CARE

Sham Habib Medical Supply is a leading healthcare solutions provider, delivering high-quality medical supplies, hospital equipment, pharmaceutical products, and healthcare consulting services. We support hospitals, clinics, dialysis centers, distributors, and government healthcare institutions across the MENA region, Europe, the United States, Canada, and emerging markets.

With a deep understanding of the healthcare supply environment, we combine global sourcing, regulatory support, market access, reliable logistics, and dedicated customer service to help healthcare providers improve patient outcomes, enhance operational efficiency, and access the right medical solutions.
